Care is at our core, cure is our goal.

Attendees will include TBCG brain cancer specialists, researchers, ambassadors, patients, carers and major donors.

The Brain Cancer Group was established in the year 2000 by eminent neurosurgeons Dr Raymond Cook and Dr Michael Biggs, on the Royal North Shore Hospital campus. The Group has established and continues to fund, impactful programs under the 3 pillars of **Research, Education** and **Support** for patients and carers.
